0365D0	1RU Tie bar panel	0.40kg

Brush Strip Panel

Product Description

Allows cables to be brought out at the front of a desk, and covers up what would otherwise be an unsightly aperture.

Product Features

- 1RU cut away construction
- Easy to use cable access point
- Brush provides cable protection
- Panels can be placed together with the brush strip facing each other, to provide a larger cable aperture.

Part no.	Description	Weight
0369D0	1RU Brush strip	0.20kg
